

MFRC522::MIFARE_SetUid

MFRC522::MIFARE_SetValue

MFRC522::MIFARE_UnbrickUid
Sector

MFRC522::MIFARE_Write

```
graph LR; A[MFRC522::MIFARE_SetUid] --> D[MFRC522::MIFARE_Write]; B[MFRC522::MIFARE_SetValue] --> D; C[MFRC522::MIFARE_UnbrickUid Sector] --> D;
```

The diagram illustrates a dependency or inheritance relationship. Three functions on the left are shown in white boxes with black borders. Three blue arrows point from each of these functions to a single function on the right, which is shown in a grey box with a black border. The functions on the left are MFRC522::MIFARE_SetUid, MFRC522::MIFARE_SetValue, and MFRC522::MIFARE_UnbrickUid Sector. The function on the right is MFRC522::MIFARE_Write.
